eJournals
2024

Our portfolio of 345 journals is an essential resource for academic libraries to empower the change-makers of the future and inspire positive change in society. Emerald offers the largest collection of business, management, and accounting journals available anywhere, alongside quality programs in engineering, education, built environment, information and knowledge management, hospitality, and related fields.

Rigorous: We publish high quality, peer-reviewed content, with our portfolio CiteScores increasing annually.

Fact: European Business Review achieved a CiteScore of 26.5 in 2022; ranking it as the #1 journal in Business, Management and Accounting.

Global: We have true global representation across our author community; supported by diverse editorial boards who facilitate comprehensive, rigorous and impactful research.

Fact: In 2022, 9,786 authors from 121 countries were published in Emerald journals and 58% of journals usage in 2022 stemmed from beyond Europe and North America.

Sought-after: Prestigious institutions across the globe subscribe to Emerald contributing to over 45 million downloads in 2022 and 21% growth in usage compared to 2021.

Fact: 'Google Scholar: the pros and the cons' was the top downloaded article across all Emerald journals in 2022, with more than 33,000 downloads.

Influential: Our journals are must-have for researchers - with 93% now indexed in Web of Science, the total number of citations to our articles grew by 5.67% in 2022, with more than 297,000 total citations

Fact: Two of our highest performing journals include The European Business Review with a Journal Impact Factor (JIF) of 4.2 and a 5-year Impact Factor (IF) of 12.4 and the International Journal of Operations and Production Management with a JIF and 5 year IF of 9.9.

Change-focused: In 2022, articles from Emerald journals were referenced in numerous policy documents; including reports for the EU, WHO and the World Bank.

Fact: Management Research has been referenced in 3 policy documents in 2022 and 2023 with one article used for an International Labour Organization policy document about corporate social responsibility and sustainable development.

Who are we?

Championing fresh thinking has been at the heart of Emerald Publishing since foundation over 50 years ago. Our goal is to help those in academia to deliver positive change in the real world through evidence-led research. Through publishing inter-disciplinary and global research we support academics to create something powerful and influence society for the better.

- SeamlessAccess
- Indexed in all major discovery systems
- KBART and MARC records available
- W3C AA and US Section 508 compliant
- ICE Publishing Journals Collections accessed via the ICE Virtual Library.

Our commitment to positive change:

Diverse Voices

Highlight: With more than 450 journal editors in over 50 countries, we are committed to elevating diverse and global viewpoints.

Research Impact and Impact literacy

Highlight: In 2021 we launched Impact Services, enabling researchers and institutions to plan, monitor and evaluate the impact of their research and build healthy impact culture. We are also a signatory of DORA; and help steer The Hidden REF, to influence research culture and drive more equitable research assessment.

Acting ethically and responsibly

Highlight: We were a founding signatory of the United Nations Sustainable Development Goals (UN SDGs) Publishers Compact. More than 60% of our journals are now mapped to at least one SDG.

Supporting all forms of open research

Highlight: One of only a handful of publishers to offer green open access without an embargo period, with a Diamond Open Access portfolio approaching 80 journals.
